

Medical Internship at Ballarat Health Services

“There are lots of reasons to Intern at Ballarat. Good exposure and good contact with senior staff. Able to work autonomously and gain actual experience” – 2020 Intern

Completing your Intern year at Ballarat Health Services will ensure you will experience hands on learning in a supportive and well supervised environment. You will be a highly valued member of the team with excellent consultant contact time and high expectations with respect to your medical education and skills development. Our senior medical staff are committed to providing training opportunities and support career development of junior doctors.

At Ballarat health services we see diverse medicine. We are large enough to deal with complex and high acuity patients.

“Varied experience but supported and appreciated whilst you are doing it” – 2020 Intern

Ballarat Health Services offers 30 Intern positions at the acute and sub-acute sites in Ballarat. Each Intern will complete five rotations including three core terms and the option for non-core rotations

Intern Rotations available
